

URGENT MEDICARE NOTICE

Major care access impacts are coming!

Attention: Medicare Beneficiaries, family members of Medicare Beneficiaries, future Medicare Beneficiaries, and concerned citizens

If Congress does not act soon there will be a

9% reduction in payment for Physical Therapy services

+

Discontinuation of Physical Therapy Telehealth services

These changes will:

- Hurt Medicare Beneficiaries by reducing access to PT
- Eliminate access to Telehealth for Physical Therapy
- Jeopardize the solvency of many Physical Therapy offices
- Cause many PT offices to stop treating Medicare patients

Our company, staff, & member organizations are voicing our concerns.

At this point we need your help!

What you can do:

Register your comments with Medicare ASAP! See the in-office notice letters for details. Participation is easy and so critical!

Your participation is appreciated!
